

November 9, 2021

To all Champlain Towers South Property Owners:

We have received and recorded all nominees to be considered for selection as Champlain Towers South Property Owner Representatives to participate in mediation discussions. We have implemented an online survey that lists all potential Owner Representatives who you nominated (regardless of the number of nominations they received). To ensure that all views of the owners are properly represented in an efficient manner, we are going to select the top four candidates who receive the highest amounts of votes.

The survey can be found at the following location:

<https://www.surveymonkey.com/r/3CLH9PB>

In order to facilitate the final selection, please cast your votes (only one person to vote per unit) by no later than **3:45p.m. EST on Monday, November 15, 2021**. The survey will automatically close after that time and the results will then be finalized.

If you have any questions or concerns, please do not hesitate to reach out to our offices.

Sincerely,

Adam Moskowitz
