

**IN THE CIRCUIT COURT OF THE ELEVENTH JUDICIAL
CIRCUIT IN AND FOR MIAMI-DADE COUNTY, FLORIDA**

CASE NO: 2021-015089-CA-01

SECTION: CA43

JUDGE: Michael Hanzman

In Re:

Champlain Towers South Collapse Litigation

**RECEIVER'S MOTION FOR ENTRY OF AN ORDER
AUTHORIZING MIAMI-DADE COUNTY TO RETURN CLAIMED
PERSONAL PROPERTY ITEMS WITHOUT COMPETING CLAIMS**

Michael I. Goldberg (the "Receiver"), pursuant to Rule 4 of the Complex Business Litigation Rules, seeks entry of an Order authorizing Miami-Dade County to return claimed personal property items for which there were no competing claims. In support thereof, the Receiver states:

1. On October 1, 2021, this Court entered an Order Approving Protocol for Processing and Returning Personal Property Items. The site containing the photographed items went live on the Receiver's website on April 11, 2022. In pertinent part, the Order provides:

At the expiration of the 30 day period [to submit claims to the Receiver via the secure website claims process]¹, with respect to all personal property items for which only one party has made a claim, the Receiver will file a motion seeking the Court's authorization to release those personal property items to the claimant (provided the claimant presents proper identification and proof of entitlement).

2. In accordance with the Protocol, 2,483 personal property items have been claimed for which there were no competing claims. Those items are listed by Claimant ID number and Item ID [File Number] number on attached Exhibit A.

¹ The 30 day period to make claims was extended twice pursuant to Court orders.

3. Therefore, and in accordance with this Court's Order dated October 1, 2021, the Receiver respectfully requests this Court authorize Miami-Dade County to release all items identified on Exhibit A.

4. Upon issuance of an Order on this Motion, the Receiver, to the extent possible, will contact the claimants of the items listed on Exhibit A to provide them the list of items subject to release to them and the contact information for the County so that the claimants can coordinate retrieval of those items from Miami-Dade County. This Motion and Order will be posted on the Receiver's website. The Receiver will work as expeditiously as possible to notify these claimants individually as to which items are subject to release to them at this time and anticipates it may take a few weeks to notify each claimant.

5. In addition to the 2,483 items listed on Exhibit A, there are 120 additional claimed items (made by 33 different claimants) which were not finalized by claimants. Those items were claimed but are in draft form without the claimant having attested to them or hitting the "submit" button. In an abundance of caution and in a continued effort to return as many personal property items as possible to their owners, the Receiver will be notifying those individuals of the incomplete nature of their claims and giving them an opportunity through January 11, 2023 in which to finalize and submit their claims. Failure of an individual to do so by that date will constitute an abandonment of any claim for the items in the draft submissions.

6. To the extent there are any unclaimed items remaining after January 11, 2023, the Receiver respectfully requests that he be authorized, at his discretion, to: (1) attempt to sell any items that he determines have resale value, the sales proceeds of which will be distributed to class members on a *pro rata* basis; (2) donate items to charity, including the Surfside memorial; and (3) dispose of any remaining items that do not fall into categories (1) or (2).

7. Neither the Receiver nor the County warrants the safety of the personal property items and/or that they are free of all toxins despite the County's completion of the decontamination process. Accordingly, it is requested that the Court's order approving the return of personal property provide that an individual's acceptance of the property shall constitute a waiver of any and all claims against the County and the Receiver with respect to the personal property, including but not limited to, any claims or damages relating to toxins or other hazardous materials remaining on the personal property.

8. The County and the Receiver also request that the Court's order approving the release of property items provide that the Receiver and the County are not responsible for the turnover of personal property or currency inadvertently to the wrong person so long as they followed the procedures set forth in the applicable Court Orders.

9. WHEREFORE the Receiver respectfully requests that the Court grant this Motion, thereby authorizing the County to return the items listed in Exhibit A to the respective Claimants. The Receiver respectfully requests this Court grant any other and further relief it deems just and proper.

Date: November 30, 2022

Respectfully submitted,
